The Inspr Genl has stated that only 3 candidates have passed the F.A Examn of 1904 in the 1st class from the Mysore Colleges. It appears that he does not take into consideration the case of Frances Xavier, who has passed from the St Joseph's College, Bangalore, whereas the Principal of the Central College includes them in the list according to the Rules on the Subject, these Scholarships can be granted are awardable to students passing the above examinations in the 1st class from Mysore Colleges and High Schools (Vide Rules 182 of the G O quoted above) Therefore it is a question for consideration whether the St Joseph's College, which is situated within the limits of the C & M Station Bangalore, is a Mysore College It does not receive any grant from the State and it is not under the control of the State Edn Deptt But

All the 4 Scholarships recommended may be sanctioned - I do not think we need make any distinction between one College & another at Bangalore - The Saint Joseph's College is the oldest best & therefore in Mysore - Many of our boys from the City attend it - & not a few of its old boys who passed the F A

Last year the reason to mention the fact prominently was connected with the grant of a scholarship to Gopalaswamy and to this the Secretariat is responsible — We must take care that it should not be made a precedent — and that it be repealed In this new Xavier scholarship scholarships the rest may be sanctioned I Commissioner

Orders may be issued accordingly if the Dewan is not disposed to Kindly reconsider his opinion. Apart from Xavier's case I know for a fact that many of our ex boys attend the Saint Joseph's College Nok the Matriculation & F. A Examination from it & then join the Central College. It seems to me to be a hard case that an technical grounds they should be refused the benefit of our Scholarships. This is a small matter after all and the remuneration of the proposed differentiation is not in my humble opinion quite desirable.
